

Happy Holidays from Rebedew Ranch

2016

It has been a big year for us. This spring we closed on our first home. It is on five acres of land and has a horse barn, riding arena, and pastures.

Sonny and Loki out in the pasture on a sunny summer day.

We love the communities where we are living and working. When the weather was nice we spent a lot of time walking around town and getting to know our new home.

David and me walking around the square in Monroe

When we moved, it meant I could finally have horses in my backyard. Loki moved down with us and I leased Sonny from one of my best friends so Loki would have a buddy. They hit it off right away and have been the best of friends.

Loki and Sonny eating together during our first snowfall.

The house and barn came with two outdoor cats. Both cats turned out to be pregnant with five kittens. We kept two, and the rest have found loving homes. We are now proud kitty parents to six cats – Pearl & Chloe who we've had since the beginning of residency, Tinkerbelle & Stripey who are the kittens we kept, and Cali & Ellie who are the mama cats and live in the barn.

Left: All 10 kittens piled into and falling out of a bed.
Top: Stripey, Tinkerbelle, and Pearl snuggling.
Right: Chloe perching on her new cat tree.
Bottom: Cali going for a ride on Loki.

Over the summer we graduated from our residency programs and both started working at Monroe Clinic. David works primarily as a family medicine physician in the Albany branch, but also sees patients in the nursing home, works with the residents in Monroe, and picks up shifts in the Emergency Department. Katie is a pediatrician in Monroe, but also spends two afternoons per week at the New Glarus branch.

With love,

~Katie, David, Loki, Sonny, Chloe,
Pearl, Stripey, Tink, Ellie, & Cali
